

Ron is **A CHAMPION** for the **ENVIRONMENT**

Thanks to his work at the Legislature, you can now easily buy wind and solar energy, and Minnesota leads the nation in clean energy standards. (HF436 of 2007).

Ron has passed many bills protecting clean water, creating solar energy standards, and preserving Minnesota's natural resources. He has also served on the Legislative Citizen Commission on Minnesota Resources for 10 years.

But there's more work to be done. Ron has:

- Chief authored a bill to reduce vehicle emissions by funding mass transit. (HF1680)
- Authored the Clean Water Legacy Act to keep our waters clean for the next generation. (HF4012)
- Authored incentives for homes to reduce their energy consumption. (HF2926)
- Authored a bill that reduces harmful chemicals in children's products. (HF1276)
